

SETnology Cookies Policy

We use cookies and other technologies (such as web beacons), for various reasons, when accessing our proprietary *Get SET™* portal via Settechs.com, or applying for work via FieldStaffer.com, or learning via SETUniversity.com, or buying tools, supplies and accessories via MyToolSET.com

These cookies are used to authenticate your login and identify your login preference whenever you use our online websites and applications. (e.g., Upon you're first login, cookies will be stored on your device/s to determine your user preference and the device/s which you've log in with, each time you log in).

Essential cookies: These cookies are strictly necessary in helping us to enforce our Privacy Policy, Terms of Use, prevent fraud and helps to maintain the security of our service.

If for any reason you have to clear your cache, these cookies maybe removed from your device. However, the next time, you log in your device will again collect and store these cookies.

We wanted you to be informed about our use of these technologies.
